Dear Homeowners,

Regrettably, board president and member Jessica Sampere has resigned. On behalf of the entire board we would like to recognize her tireless efforts and thank her for all her contributions in service to the community. We wish her the very best in her future endeavors.

This is an opportune moment to remind all of our homeowners that board members are volunteers. We take great pride in this community and aim to make the best decisions possible with the information we have at the time and rely on many experts to guide us. We put aside time from our daily lives and families to build long term value for our community both socially and financially. We are here to be of service to others. Personal attacks by members of the community directed towards board members makes it difficult and discourages people from volunteering. We are here to listen to you, the homeowners, and ask that you utilize the official methods of communication if you have questions or concerns. We pledge to act with civility and respect in all our communication with you and ask that you do the same.

In compliance with our bylaws, the remaining board members gathered for a reorganization meeting this past week to appoint officer positions. The results of this meeting are as follows:

President- Cindy Toscano

Interim Secretary- Dmitry Kovalenko

Treasurer- Roman Shevorykin

We currently have two open board seats. One term expires August of 2021 and the other expires August of 2023. We encourage members in good standing who desire to help guide the community forward to send an email to the property manager Scott Matthews Jr. at ScottA.Matthews@fsresidential.com regarding the board vacancies. We request that all members interested in volunteering to serve should make sure to email no later than December 7, 2020. Please keep in mind that to be considered a member in good standing you must not have an outstanding account balance and must be listed on the recorded deed of your property.

We thank the candidates that have already submitted their interest regarding the previous board opening. We will be arranging interviews with all interested candidates in the upcoming weeks.

Please know that we are committed to serving this community and working collaboratively to meet any challenges head on while still progressing to make this community a place where all residents can thrive. Let's all join together and work hard to keep our community a desirable and sought after place to call home.

Best Regards,

The Glen at Tamiment Board of Directors
